Discipleship and Ministry

Our Vision

We envision developing our people - new believers as well as established believers - into fully functioning Christ-followers through people-friendly, celebratory worship services, special events, and Life Groups.

We envision helping all our people - youth as well as adults - to discover their divine designs so that they are equipped to serve Christ effectively in some ministry either within or outside our church. Our goal is that every member be a minister.

- Pray that our people will desire a closer and deeper walk with the Lord.
- Pray for our church's ability to make disciples.

Community and Worship

Our Vision

We envision becoming a church where our people model biblical community: a safe place where we accept one another and are accepted, love and are loved, led and are leading, encourage and are encouraged, forgive and are forgiven, and serve and are served.

We envision welcoming many members into our body who are excited about Christ, experiencing life-change through our worship, discipleship, and Life Groups, and growing together in love.

- Pray for our people to be unified and in one accord.
- Pray for our people to develop family love for one another.
- Pray for our people to be forgiving.

- Your own prayer concerns for Community and Worship.

Session 2

Station 1

Our Church

God put our Church in this exact location - in this exact town - for a reason. He wants to build together a group of individuals into a real community who love one another, support one another, and watch after one another with the love of Jesus Christ. He wants His church to be so attractive with His love that others will also want to be a part of what He is doing in us.

- Pray that each one of us, as individuals, will continue to pursue an ever deepening love and relationship with Jesus.
- Pray that all of us will continue to draw closer together into a real family of God.
- Pray that our love for one another will continue to grow.
- Pray that we will develop a greater degree of concern for one another, a concern so great that our church family will always be on our minds and hearts.
- Pray that our church will be so close to one another and to Jesus that others outside our church will be attracted to the love and grace of Jesus they see in us.
- Pray that God will prevent the Evil One, the devil, from having any influence on any of us as individuals and as a group.
- Pray that God will protect our pastor, our youth pastor, our children's leaders, and our worship team from any ungodly influence or outside interference that might compromise or distract their ministries.
- Pray for the peace of God to settle on all of us.
- Pray for God's anointing on our services.

Session 2

Station 2

Our Easter Weekend

Easter is still an important holiday for people, whether they attend a church or not. Many people are more open to attend a church service at Easter than at almost any other time. An invitation for them to attend a church service might be more readily accepted during Easter.

- Pray for your family members, preferably by name, who you think might not have a relationship with Jesus Christ.
- Pray for your friends, preferably by name, who you think might not have a relationship with Jesus Christ.
- Pray for the Lord to begin working in the hearts of those above, that they will be open to the Holy Spirit.
- Pray for God to break your heart for those who do not know Him.
- Pray for God to give you courage to invite people to our church Easter Sunday.
- Pray for God to provide you with specific opportunities to talk to these people about attending our church with you Easter Sunday.
- Pray for God to keep you sensitive to His leading anytime you are around these people.
- Pray that God will compel many people, even those we don't know, to attend our church service Easter Sunday.
- Pray that God will fill our Easter Service with His Holy Spirit in a real and tangible way.
- Pray that many people will begin their walk with Jesus Easter Sunday.

Session 2

Station 3

Our Community

Our town and our county is our home, our community. We may be far away from nation centers of attention, but God has His attention firmly set on our community. He has many people here. There are also many people here who He wants to be His. They may be far, far away from Him right now, but through His church, God wants them to come to Him.

- Pray for our community leaders and the decisions they make.
- Pray that God will reign over our town and county.
- Pray that every person in our community will personally seek God and His salvation.
- Pray that God will open our eyes to the lostness of the people surrounding us in our community.
- Pray for God to give us insight into the deeper problems in our community.
- Pray that God will give us a strong concern for the people who live near us and around us.
- Pray for God's love, grace, and concern to fill us as we interact with our community.
- Pray for God to give us bravery in standing for Him and grace to speak for Him in our community.
- Pray that God will bring His peace to our community.
- Pray that God will use us to bring His salvation to every single person in our community.

Session 3

Station 1

Our Schools

Our schools should be a key focus of our prayers. Our children will spend almost as much time in school as at home. This makes the schools, the teachers, and the other students a prime means of influence on our children. How our children react and respond to the school environment will affect them for the rest of their lives.

- Pray that God will mightily show Himself within our schools.
- Pray that God will lead and guide the school administration and teachers in providing a safe environment for our children.
- Pray that the entire administration and every teacher will know and follow Jesus Christ.
- Pray that those administrators and teachers who are Christians will be empowered and confident in living for Jesus in front of the students.
- Pray that God will build a hedge of protection around our schools to keep any evil or evil one from having any influence.
- Pray that God will prevent any more erosion of Christian values within our schools.
- Pray that God will be glorified through our schools.
- Pray for each school in our area, by name, and ask God to be mighty and awesome within each school.

Session 3

Station 2

Our Children

Our children are our most precious gifts from God. As they enter school, they will be in the midst of people who have no regard for our God, Jesus, or love for our children. They will be exposed to things that may lead them away from Jesus. Everyday they will be surrounded by people who are influenced by the world's values and the Evil One. They will also have great opportunities to represent Jesus to everyone around them.

- Pray that our children will be surrounded by the protection of Jesus.
- Pray that our children will be spared from hearing and seeing things they should not hear and see.
- Pray that our children will be shining lights in a world filled with much darkness.
- Pray that our children will demonstrate the love of Christ to those around them.
- Pray that our children will have opportunities to tell people about their relationship with Jesus Christ.
- Pray that our children will experience the joy of seeing Jesus become real and personal in other people's lives.
- Pray that our children's faith will continue to grow stronger and stronger so they are not pulled away from Jesus by outside influences.
- Pray that our children will make wise and godly decisions every day at school.

Session 3

Station 3

Our Small Groups

Our small groups will be beginning their next semester in September. We have seen our church grow much closer through our small group ministry. There are many in our church who have not yet experienced the joy of being a part of one of our small groups. They are missing out on one of the true blessings of being a part of our church.

- Pray that God will lead each person in our church to become a part of our small groups this fall.
- Pray that God will lead each one into a group that He knows is best for each person.
- Pray for every host of our small groups, that God will provide the time for each within their busy lives.
- Pray that the lessons and materials we use will have a strong influence in our walk with the Lord.
- Pray that people who are not yet a part of our church will be led to participate in our small groups.
- Pray that we, as a church, will become much closer to one another through our small groups.
- Pray that God's work within our small groups will spill over into every church activity.
- Pray that we will see people renew or begin their relationship with Jesus through our small groups.
